move out
and live by
myself.

BEWARE

After my
mother who
raised me
single-
handedly
passed

And I was lucky
enough to be
introduced to a
good job in the
area, that was
that.

If possible, I
thought I'd
move to
somewhere
in the city.

But since the
rent for my
late grandpa's
house is old house
was not to
nothing.

I CAN'T EVEN
SEE THE
HOUSE

THE PEOPLE
ARE SO TALL

It's been
around for
years since I
last came
here.

SHINSHO CAN

I am in love with a man
who would never look
back at me...

But I'll stay with it
as long as I am allowed
to stay by his side
just a little bit will do
I want to be of use to him

I don't mind dying for his sake
because I am a dog who has been rescued
from the streets by that man

however, it's precisely
because I am a dog
that I fell in love

I fell in love with a man who will
never look me back—

Chapter 6

A CHASE TO DENSO

Yet you are still
guarded against me

Your gaze is clearly
filled with such longing
for me...

Exactly how long
do you want me to
wait...

Before you'll let me kiss your
body?

AND THAT
PERSON
WILL BE
YOUR
MOM.

THEN,
YOU MUST
BECOME AN
ADULT SOON
SO YOU CAN
FIND A LOVELY
PERSON TO
MARRY.

YOU
KNOW.

YOUR MOM
IS GOING TO HAVE
A NEW FATHER
SOON.

THEN,
MOMMY WILL
NOT JUST
BECOME A
FATHER.

BUT MOMMY
ALSO HAVE
SOMEONE AND
A BIG, NEW
FAMILY.

—OH—

.....

FOR MOM
WANT A
FATHER SOON.
MAYBE.

.....

OH.

THEN I
WILL FIND
A MOM
SOON.

"But what
about me?"

The
mother looked
at it, smiling.

She
looked out at
the stars now."

"NO THAT
MOTHER WILL
ALSO HAVE A SON,
HER FAMILY."

JUST BECAUSE
YOU GOT
SCARED AND
TURNED UP,

DON'T
MAKE YOU
HAVE TO
GET SO
DOWN

FROM
TOMORROW

DRINK
SOME
WATER.

LAST
NIGHT

BEFORE
YOU
TURNED
OUT

I
ALREADY
CLEANED
IT UP

OH—

AND
DINNER

THE

EVEN MY
MOM TALKS IT UP
ANY MORE TODAY

ON THEIR
FIRST DAY

IN FACT,
I WAS A

I

SO I
CAN'T
BECOME A
BURDEN TO ANYONE

I
WANT
TO WORK
HARDER...

BUT
IT'S NO GOOD
IF I DON'T GET
HIGHER

I'M GOING
TO LIVE HERE
ALONE

THAT'S
WHAT I'VE
DECIDED.

"SO THAT
MY FATHER WILL
ALSO HAVE A
BIG, HAPPY
FAMILY."

"THEN I WILL
FIND A WIFE
SOON."

I realized during my first year of University that I wouldn't be able to keep my promise.

Now decided to get remarried.

—— The end of working

Hello, my name is Shimizu Yuki.

Thank you for reading my books. In here, my current book "Kachoa Fajetias" is about a love story which any person living no boundaries could relate to. So far, there are 2 main couples. If there is a couple that you like and want to have them at the top, I will be really happy. These love stories are all different, and the speeds that they develop at are different as well but, I want them to potently and comfortably rise to the top.

This is my first time selling both volumes 1 and 2 at the same time, plus volume 2 has a first time limit of a new dozen small book that comes with it, which has lots of digital cards on them. The stories aren't as different to my stories now but, such as cover designs, are drawn really cool by the designer. For the people who worked really hard on this book, I hope that all of you will continue to work with me and enjoy it... That is what I wish from my heart.

Finally, even though this has come last, my thanks.

To Rei Takada-gama who took up the role of being my Illustrator
(Thank you for taking the time to for that time. The dinner that you had called me out to was delicious.)

To Saki Isigaki-gama the camera man
(Thank you for taking so much time for me to use, it was very helpful for the back-ground.)

To Akamo-gama the designer
(It's always come out with more than I had expected from you, also when it came to the real thing, you made me think that professionals are amazing, so I respect you with all my might.)

To everyone who took part in printing, and to everyone in the editorial business.
(Always making you trouble and making you late days without sleep... especially the book printing I am... I sincerely apologize. Thank you for always printing in pretty colors.)

To my manager
(Although I cause you trouble and worry, please live long with me. I will try hard to shoot to the top.)

Finally to my assistants
(Even when I become tired or confused, you always work hard, and for that I am truly grateful. Thank you for all the sweets, thank you for the support and encouragement. Even though I'm always depending on and feel pretty towards you, please look after me for our next product.)

Thank you very very much!
